PC Andrea Griffiths, 44, was set to be sacked for gross misconduct for romping with a crime victim. But she resigned on the morning of a misconduct hearing, saying she "deeply regretted" the fling with the man she was "looking after".

A panel heard PC Griffiths began a relationship with the male, who was a victim of historic sexual offences and was described as "vulnerable". She was accused of having sex with him both on and off-duty.

PC Griffiths says she only had sex with the unnamed man once.

North Wales Police officer Amy Clarke, told the hearing: "She developed an inappropriate personal relationship with a vulnerable male who she was responsible for in 2015. "Miss Griiffiths was tasked with being his liaison officer and engaged in sexual activity with him. She agreed further that sexual activity happened on duty." Miss Clarke said PC Griffiths joined the force in 2001 and was managing the man because he was an alleged victim of historic sexual offences.

Charges were filed in April 2017 and in June of that year the Alaska Board of Dental Examiners suspended Lookhart's licences to practise dentistry and sedation.

Lookhart's reimbursement totals for intravenous sedation accounted for nearly 31 per cent of the total payments for IV sedation across Alaska in 2016, according to Medicaid fraud investigators.

A YOUTH minister who slapped a female reporter on the bum while she delivered a live TV report on a marathon has been banned from future events.

Tommy Callaway was seen on video running up behind Alex Bozarjian and taking the swipe during the Enmarket Savannah

Bozarjian posted the video to Twitter, with the caption: "To the man who smacked my butt on live TV this morning: You violated, objectified, and embarrassed me. No woman should EVER have to put up with this at work or anywhere!! Do better."

The video, which got more than eight million views, prompted outraged sleuths to track Callaway down. He was quickly identified as a local youth church minister and slapped with the ban.

Dear Sam,

He didn't last very long, so I went on the prowl. I got chatted up by a few fellas but this tall bald fella took my eye.

I took him back to mine and he was soon pumping me fast and hard from behind. Then he slipped his cock into my bum and I screamed with pleasure when he came in my arse. Now my pal says she won't go out with me again because she thinks she'll get a bad reputation.

What do you think?

I'M a 45-year-old woman and I love being shagged by younger guys. I recently got divorced so a friend took me out to a nightclub where I pulled an 18-year-old hunk.

I got him in a quiet corner out of sight, slipped out of my panties, straddled him and then rode his mighty weapon until he exploded in the strategy of the strategy of

knowing that I'm a keen amateur photographer, she asked if she could pose for me.

I agreed, so she came to my place and it wasn't long before she was naked and letting me snap her right up her fanny.
She's 19, blonde, with massive boobs and a cracking body, and I soon had a rock-hard cock.

Seeing that I was really turned-on, she just smiled and said: "Well, are you going to f* *k me, or what?"

I didn't waste any time and knobbed her twice. I left my camera on and got some great pictures of me doing her.

They were so good she agreed I could send them to an adult magazine and they were printed. But her boyfriend saw them and he's now threatening to do me a mischief.

What should I do?

I dread telling sis about love-rat squash hubby

Dear Sam,

MY sister and her husband always seem happy and go everywhere together, except when he plays squash.

I was passing the squash club one night when I decided to call in, but I was shocked when I saw him at the bar kissing and cuddling a young blonde.

I went and sat in my car. Then my brother-in-law and the blonde came out and got into his van.

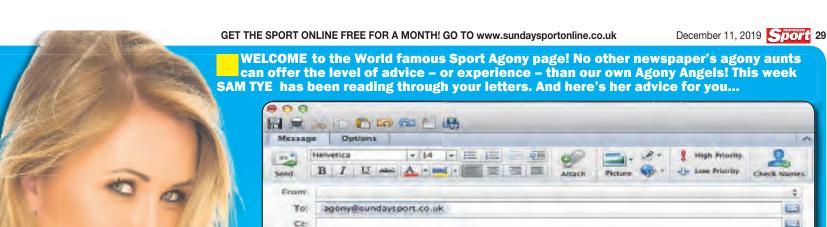

I crept over to peep in. I was appalled to see them sucking each other frantically in the 69 position before he mounted her from behind.

I quickly drove to my sister's, but she looked so happy I hadn't the heart to tell her what I'd seen.

Should I tell her that her hubby's a love-rat and risk breaking her heart?

<u>Tipsy first taste of lesbo</u> lust was mind-blowing

Dear Sam,

Subject:

I'M a 21-year-old student and my fella has been pestering me for a while to have sex with another woman while he watches.

It started a couple of months ago when I was on a night out with my course group and one of the girls

came on to me.
At first I was a little taken aback, as I have never been with a woman before – although I have sometimes fantasised

But as the night wore on and I got more and more tipsy, the thought of it really began to turn me on.

And when she gave me a goodnight kiss, I was thrilled as she slipped her tongue deep inside my mouth.

As soon as the door to her flat closed behind us she quickly lifted my top, removed my bra and sucked and licked on my erect nipples as her hands fumbled with my zipper.

I've never been what purveyors of left-field grot flicks would call

can truly count myself among their moist ranks – but the wetness of my womanhood was something to behold at that lusty moment.

Then it was the turn of my sapphic sex buddy. I felt nervous as she slipped off her clothes right in front of me.

After she'd had a loud orgasm, we spent the rest of the night licking, sucking and f**king each other – and have done several more times since.

She's even done me up the wrong 'un

But I made the mistake of telling my fella and he was angry – not for me cheating on him, but because I didn't let him watch. Should I?

DON'T be pushed into accommodating his sexual fantasies if it's not something that you feel comfortable about

My bird's hooked on me bonking her pals

Dear Sam,

MY girlfriend told me she'd had an erotic dream in which I was shagging her mate.

She said it turned her on so much that she wouldn't mind if it was real.

I have to say that filled me with much joy because I've wanted to bone her gorgeous mate for ages.

Anyway, we all went to the pub one night and had a few drinks before going back to our flat.

Her mate was all over me and soon had my rock-hard-cock out and down the back of her throat.

Just as I was about to explode, my girlfriend came over and got me to spunk on her tits.

The two of them then led me into the bedroom and my bird said: "I want you to f**k her really hard.

Randy

So I did as I was told and launched my throbbing dick into her from behind.

She was screaming in pleasure and as I pounded away for all I was worth I could see my girlfriend frantically playing with her fanny until she had a

massive orgasm.

Since then my bird has been really randy in bed and she now wants me to shag another of her pals.

Don't get me wrong, I really enjoyed boning her pal but I'm not sure about doing it again with another of her mates because I think it's getting a little too

pervy now. What should I do?

TC, Lancs

ARE you kidding? Most men would kill to be in your position.

Dear Sam.

I'D never had sex in a car before last week – and now I'm wondering if I was right to have done it.

I'm not a snob, though being an only daughter means my well-off father has made sure I've been

pampered.
I've had three fellas before and, though the sex was unexciting, it always took place at my home when my parents were away, so a degree of comfort was assured.

My latest boyfriend. though, attracted me because he's a bit rough and ready and even looks dangerous.

After taking me for a

drink at a rough pub, he drove me to a quiet wooded area and we

started kissing. Soon we were very hot for it and he had my knickers off and his fingers probing me.

I felt so ungainly as he hoisted my legs over his shoulders in the cramped car and entered me with an assured rhythm.

I climaxed with a passion I'd rarely experienced, and he came thickly inside me soon after.

When we'd done, though, my expensive clothes were all crumpled, I was sticky and I couldn't find my undies anywhere.

Have I been undignified?

Sam savs...

OH yes! Great, wasn't it?

I'M BAYERN MONEY WITH

BOTH Spurs and Manchester City are already through to the last 16 of the Champions League ahead of their respective trips to Bavaria and Croatia this evening. Spurs will want to exorcise the demons of their 7-2

humiliation at home to Bayern Munich on Matchday 2, however, and there is no question that they are playing with more confidence and belief since Jose Mourinho

with more commence and belief since Jose Mourning took over at the Tottenham Hotspur Stadium.

Bayern are looking to become just the seventh side in the history of the competition to win all six group games, but the German champions have lost their last two Bundesliga games and I don't think Spurs will lie down and have their tummies tickled in Munich.

Bayern are 2/5 at BetVictor to win and that is too Bayern are 2/5 at BetVictor to win and that is too short with Spurs 11/2 and the draw 21/5. Spurs are 19/10 in the double chance – to draw or win – and want to show they are major players in their bid to go ne better in the Champions League than last season. Rangers and their fans must still be wondering how they managed to let the League Cup slip through their hands against the old enemy on Sunday, but the Hampden Park Final did show us that there is now nothing between the teams and the race for the Scottish Preserver in the teams and the race for the Scottish Preserver in the seams and the race for the Scottish Preserver.

between the teams and the race for the Scottish Pre-miership title looks sure to go down to the wire. Celtic are through as group winners in the Europa League while Rangers need a point against Young Boys at Ibrox to make the last 32 although a win against the Swiss would see them through as group winners.

Knockouts

The three Premier League sides have been in poor Europa League groups but the same cannot be said of those involving Rangers and Celtic. It will be a great fillip for Scottish football if the Old Firm win their respective groups and I believe Steven Gerrard's side will join the Bhoys as group winners.

Rangers are 4/5 at BetVictor to beat Young Boys

tomorrow and that looks fair. Celtic are 33/1 to lift the trophy with Rangers 50/1 and I would rather back them at those current odds than Arsenal (11/2) who are not yet guaranteed their place in the knockouts.

yet guaranteed their place in the knockouts.
The Gunners need a point to be certain of a place in
the ko stages although their 4-0 win against Liege on
Matchday 2 at the Emirates means they just need to
avoid a humiliating defeat in Belgium.
Standard are unbeaten in their last 11 homes in Eu-

rope and could fall to qualify for the last 32 despite amassing 10 points. The hosts are 6/4 in the draw no bet market and that is the tip despite Arsenal's remarkable second half comeback at the London Stadium.

Duncan Ferguson is 5/2 at BetVictor to be next permanent manager of Everton and club may give the Blues legend the job in an interim capacity after their

3-1 defeat of Chelsea at Goodison on Saturday. It would be great to see Big Dunc in the technical area at Anfield for the 3rd Round of the FA Cup in January — up against Jurgen Klopp!

The Champions League is a welcome distraction from City's issues on the home front

Defensive problems came to the fore again as United were surprise winners of the

Manchester derby at the weekend.

The champions are being linked with a January move

for Bournemouth centre-back

for Bournemouth centre-back Nathan Ake.

The Dutchman is one of the best stoppers in the Premier League and Bournemouth are not in a position to refuse a big offer.

The issue for the Blues is that Chelsea seem to have first refusal on the player they sold to the Cherries in 2017.

They paid £20m to the

Whether that means City

can make a bigger offer is not clear but Chelsea boss Frank Lampard has dropped big hints that he wants to strengthen at the back.

Ake would be the ideal man for the job but City are desperate for a commanding presence having failed to replace Vincent Kompany.

The big Belgian has left a major hole in defence but also with his leadership qualities in the dressing room.

Another defender being linked with the Etihad is Barcelona's Samuel Umtiti.

He has been on the sidelines at the Nou Camp with Clement Langlet and Gerard Pique forming a strong partnership for the Catalan giants.

nners gatter

ARSENAL interim boss Freddie Ljunberg believes his team still has a long way to go despite breaking their losing run.

The Gunners got back to winning ways against West Ham after going NINE games without a victory. It looked bad for the Emirates boys when they trailled the Hammers.

But second-half goals from youngster Gabriel Martinelli, Nicolas Pepe and Pierre-Emerick Aubameyang turned things around and lifted the gloom around the club.

It moved them to a lofty ninth in the Promier Local Section 1.

The Swede said: "First half we were slow, a bit lethargic and didn't move or run, but that comes when players are low and have no confidence because you don't do the things you need to.

"It has been hard, but I felt 'give it a go second half' and it was amazing for me to see.

"You saw West Ham get a bit
tired and low around the 60th and we sliced them open and played

some really good football. That is how we want to play, keeping the ball well, but of course we won't get carried away. "We have a lot of work to do on things, but all credit to the players for how they did in the second balf"

Ljungberg admits he has no idea how long it will be until the next permanent manager is appointed at the Gunners.

at the Gunners.

The picture on that score is unclear with Mikel Arteta the 7/2 bookies' favourite.

He added: "I speak with Edu. Of course we played with each other, so we try to speak because I don't have much staff so I talk to him sometimes about football.

West Ham boss Manuel Pel-

legrini is the one in need of a win

The Hammers are down to 16th and just a point above the relegation zone.

The veteran boss knows the situation with a crucial game against Southampton at the week-

end.

He said: "The fans of West Ham always have this stadium full, with 60,000 people behind the

team.
"We must improve and we need to win again here at home, but I don't feel the fans are not behind the team.

"I think they are always behind the team and if not, maybe we play here with the stadium empty, but the stadium is always full and the fans are behind the team."

WON'T KOP A STOPPER

LIVERPOOL will swerve signing

a defender in January.

Boss Jurgen Klopp is juggling an injury crisis at the back with

three stoppers on the sidelines.
Joel Matip, Dejan Lovren and
the versatile Fabinho are all facing time out during the busy winter period. Virgil Van Dijk and Joe Gomez

are the only fit centre-backs at

the club.

That has led to talk of the Reds dipping into the transfer market next month to provide

But Klopp insists that would

be a mistake because then he would have too many defenders

when they were all fit again. He said: "How can you be short of centre halves when you have four centre halves plus Fabinho?

"Only Fabinho is injured, Matip is injured and Dejan Lovren had a problem, yes

'We will not sign a centre half because of injuries — that is the world outside who thinks we are short and we have to do it -

but afterwards we would have six centre halves and that wouldn't make a lot of sense.

HAPPY MAN: Ljungberg

"And you need quality. You can't have just somebody for the "I am somebody, I am tall, not

quick, but I look like a centre half at least." Klopp does admit that Lovren limping off during the win at Bournemouth at the weekend

was not ideal.

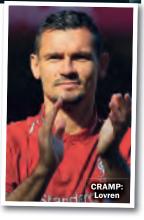

But he hopes to have the big Croatian back quickly. He added: Yes I am absolutely concerned but Lovren is not injured. It was

a little bit of cramp, and the right moment to take him off, but it is cool, everybody is fine. "We spoke about squad depth,

but we had 16 adult players but we had 15 adult players against Everton, 14 adult players against Bournemouth — it's not that we think we have no clue how to make a squad at the moment.

"How can I tell the boys they are not involved in the squad? We have no problem, there is nobody there I have to explain it

"But yes it is all good, but not perfect."
